5 August 2010

Dear Parents,

**Winter fire safety tips**

NSW Fire Brigade offer the following winter safety tips:

- Ensure you have working smoke alarms on every level of the home.
- Switch off the stove before leaving the kitchen and never leave cooking unattended.
- Portable heaters need to be at least one metre away from flammable materials such as curtains, clothing and bedding and switch it off when going to bed.
- Check power points aren’t overloaded.
- Check electric blankets for faults.
- Clean the lint filter in the clothes dryer each time before use.

For more information on winter fire safety visit [www.3minutes.com.au](http://www.3minutes.com.au)

**Eco-tip**

Did you know? Australians are the second highest waste producers in the world, second only to Americans.

What can you do? Give unwanted items to charity or your local secondhand shop – or get together with your neighbours and have a garage sale.
